

TABLE SHOWING THE CLASSIFICATION OF THE CRETACEOUS FORMATIONS

	Formation names (Synonyms in parenthesis)	East and Central Texas						Trans-Pecos region			
		Rio Grande	Uvalde	Austin	Waco	Fort Worth	Red River region		Quitman Mts. country	Big Bend country	
Upper Cretaceous	Navarro beds (Eagle Pass formation, Webberville formation, Glauconitic division, Upper Arenaceous series, Bexar formation)	Escondido beds	Pulliam formation				Kemp clays	Arkadelphia clay		Chisos beds	
	Coal Series		Anacacho formation	Webberville beds	Navarro beds	Navarro beds	Corsicana beds		Vieja series	Tornillo clay	
	San Miguel beds								San Carlos beds	Rattlesnake beds	
	Taylor marls (Exogyra ponderosa marls)	Upson clay	Taylor marls	Taylor marls	Taylor marls	Taylor marls	Taylor marls	Marlbrook marls		Terlingua beds	
	Austin chalk	Austin chalk (Pinto limestone)	Austin chalk	Austin chalk	Austin chalk	Austin chalk	Anona chalk Brownstown marl		Austin chalk		
	Eagle Ford shales	Eagle Ford shales (Val Verde flags)	Eagle Ford shales	Eagle Ford shales	Eagle Ford shales	Eagle Ford shales	Eagle Ford shales		Eagle Ford shales	Boquillas flags	
Comanchean Cretaceous	Buda limestone (Shoal Creek limestone, Vola limestone)	Buda limestone	Buda limestone	Buda limestone	?	Woodbine formation	Lewisville beds Dexter beds	Woodbine formation	Lewisville beds Dexter beds	Buda limestone	Buda limestone
	Del Rio clay (Arletina clay)	Del Rio clay	Del Rio clay	Del Rio clay	Del Rio clay	Pottsboro group	Grayson marls Main-street beds	Pottsboro group	Grayson marls Main-street beds	Del Rio clay	Del Rio clay
	Georgetown formation	Devils River limestone	Georgetown formation	Georgetown formation	Georgetown formation	Weno group	Paw Paw beds Quarry limestone Weno formation	Weno group	Paw Paw beds Quarry limestone Weno formation	Georgetown formation	
						Denton group		Denton group			
						Fort Worth limestone		Fort Worth limestone			
						Preston beds	Duck Creek beds Kiamitia clays	Preston beds	Duck Creek beds Kiamitia clays		Edwards limestone
	Edwards limestone (Caprina limestone, Barton creek limestone)		Edwards limestone	Edwards limestone	Edwards limestone					Finlay formation	
	Comanche Peak limestone		Comanche Peak limestone	Comanche Peak limestone	Comanche Peak limestone	Goodland limestone		Goodland limestone		Cox formation	
	Walnut clays (Texana beds, Exogyra Texana beds)			Walnut clays	Walnut clays	Walnut clays		Walnut clays		Campagrande formation	Shafter beds
	Paluxy formation				Paluxy sands	Paluxy sands		Antlers sands		Bluff bed	
	Glenrose formation (alternating beds)		Glenrose formation	Glenrose formation	Glenrose formation	Glenrose formation				Quitman bed	Presidio beds
	Travis Peak formation			Travis Peak formation	Basement sands	Basement sands				Mountain bed	
	Lowest Comanchean									Lowest Comanchean
