

Numbers below 100 show location of
Texas Land & Development Co. Wells
Other Irrigation wells as follows

100 Mayland	109 Firth	118 Garrison	127 White	136 Perry and Davidson
101 Brause	110 Holland	119 Dyer Bros.	128 Hall	
102 Morgan	111	120 Anderson	129 Dowden	
103 Eberling	112 Hubbard	121 Cidney	130 Perry	
104 Alexander	113 Stewart	122 Brown	131 Snyder	
105 Hicknell	114 Graham	123 Brooks	132 Price Day	
106 Hise	115 Perry	124 Ewing	133 Oliver	
107 Scott	116	125 Howell	134 Sanders	
108 Leach	117 Stayton	126 White	135 Shire	

Map of the
Plainview Shallow-water area
of
Hale and Floyd Counties
With location of irrigation wells con-
structed up to 1st Jan. 1915, depths of water
beneath surface, and contours showing height
of water-table above sea-level, referred to
a datum of 3370 feet for Plainview Railroad
Station. Prepared by
Charles Laurence Baker, Geologist.

Scale
2 Miles - Inch

Numbers under-scored
show depths to water
Numbers not under-scored
show location of wells
Numbers at contours
show height of water-table
